Description

Chalk bar stool, with its pure volume and its well defined lines is the result of excellent selection of the best technologies and researches in plastic materials. The compact size and ergonomic shape ensure functionality and comfort. The footrest on three sides, like a bend, grants the stackability. Made of polypropylene, injected with gas air moulding and reinforced by glass fibers, the Chalk barstool is available in the same range of colors of the stool.

Features

- Stacks 4 high
- Suitable for outdoor use
